GUARANTEE

All trees and plants raised in our nursery are guaranteed true to name as far as any reliable nursery can do so, and every possible care is taken to prevent mistakes. It is hereby understood and agreed between purchaser and ourselves that we are not to be held liable for any greater sum. We solicit your patronage, but cannot in justice to ourselves, accept orders on any other terms.

All orders should be plainly written on a separate sheet of paper and not mixed up in the body of the letter. This prevents mistakes in booking orders. Advise us plainly how you wish us to ship—by freight or express. Also state route. Otherwise we will use our own judgment in forwarding.

Parties unknown to us must accompany their orders with a remittance or furnish satisfactory references.
